If the student qualified, we help the individual prepare the appropriate Financial Aid application.

For those students who wish to pay their own way through school, the financial officer will develop a personalized payment program for each individual. All tuition and fees are payable in advance unless other arrangements have been made prior to commencement of classes. For those students who are not receiving financial aid, payment schedules (weekly, monthly, and quarterly) are available. Payments are accepted by cash, check, money order, or credit card.

Students who do not make payment arrangements or fail to make their scheduled payments, may be subject to any one or all of the following: suspension, termination, and/or student's account turned over to collections.

The student is responsible for all contracted tuition, registration, equipment, kit, and overtime charges.
