The maximum time allowed for transfer students who need less than the full course requirements will be determined based on 67% of the scheduled contracted hours.

- Students meeting the minimum requirements for attendance and academic progress at any evaluation point will be considered to be making satisfactory progress until the next evaluation.

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP) cont.:

Academic Progress Evaluations:

Students are evaluated on a regular basis on theory, practical and clinical work. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. The Satisfactory Academic Progress Evaluation Form will be provided to the student at the time of each evaluation period and maintained in their student file. This evaluation form reflects the overall Attendance and Academic progress of the student. Students must maintain a "C" (70%) average to maintain satisfactory academic status. The system detailed below is the system utilized in the school.

ACADEMIC (Theory) GRADING:

- 90% - 100%** **A.....Excellent**
- 80% - 89%** **B.....Good**
- 70% - 79%** **C.....Satisfactory**
- 0% - 69%** **F....Fail**

POINT GRADES FOR PRACTICAL WORK:

- 70-100 POINTS = Satisfactory**
- 0- 69 POINTS = Unsatisfactory**

Determination of Satisfactory Academic Progress:

Students meeting the minimum requirements for attendance and academic progress at the evaluation point will be considered to be making Satisfactory Academic Progress (SAP) until the next scheduled evaluation. The Satisfactory Academic Progress Evaluation Form will be provided to the student at the time of each evaluation period. Students determined to not be maintaining Satisfactory Academic Progress may have their Title IV funding interrupted unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

Warning:

Students placed on SAP Warning will still be considered to be making Satisfactory Academic Progress, and will continue to receive Title IV funding for that one payment period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If the student is meeting minimum requirements at the end of the SAP Warning period, the student will be determined to be making SAP and Title IV funding will continue. If at the end of the SAP Warning period, the student has still not met the minimum requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

Probation:

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the

Probation (cont.):

next evaluation period. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If a student meets the minimum attendance and academic requirements by the end of the probationary period, satisfactory progress has been re-established and Title IV funds will be disbursed for the next payment period. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

Appeal Procedure:

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination in writing with ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written letter to the school describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve satisfactory academic progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student's file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

Re-establishment of Satisfactory Academic Progress

Students may re-establish Satisfactory Academic Progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

Interruptions, Course Incompletes, Withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the Leave of absence. The Leave of Absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence, and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same Satisfactory Academic Progress status as at the time of withdrawal.

Noncredit, Remedial Course, Repetitions

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

Transfer Hours

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. For transfer or re-enrolled students, the evaluation period will be the midpoint of the contracted hours or the established evaluations periods, whichever comes first.

GRADUATION REQUIREMENTS

Once the student has completed their program's required clock hours, and completed the required theory hours and practical operations with a minimum grade average of 70%, he or she is awarded a diploma certifying his or her graduation from the school.

STATE LICENSING REQUIREMENTS

This certificate will then become part of the application for examination for your State of California License. **Neither a diploma nor certificate will be issued unless all monies have been paid in full.**

STUDENT RECORDS RETENTION POLICY

The school maintains current student files for six years. Files may be stored away from school premise. It is recommended that all students retain all Enrollment, Withdrawal, and or Completion Papers. One set of the student's transcripts will be provided free. Thereafter, there will be a \$25.00 charge for each additional set.

PLACEMENT ASSISTANCE

Job placement assistance is provided to graduates and students at no additional charge. Upon graduation, student's name is recorded in student placement log and the process of follow-up begins. When students take the Bureau of Barbering & Cosmetology examination, it is recorded as a pass or fail. Students are encouraged to return for placement assistance by reviewing the listings of salons seeking employees and the requirements, salary, and other pertinent information. Students are sent on interviews and the results of these interviews are recorded in the student placement log. Job listings are posted on the bulletin boards for students to review. Ms. Nilza Price or Mr. Lee Jones assist students in placements as often as needed; however, the school does not guarantee placement to any student.

STUDENT CONDUCT

As adults, it is expected that students will conduct themselves in a mature and professional manner, giving the proper respect and courtesy to his/her classmates, the clients, and the staff of the school. Disruption of class will not be tolerated at any time. You are paying to learn a trade and so are others, therefore, we take your investment seriously and so should you. Any student abusing staff or fellow classmates or interferes with normal classroom activity or clinic operations may be terminated from the training program in which he/she is enrolled. A student who is dismissed for misconduct will be furnished a written statement which outlines the reason for such action. A student dismissed for misconduct may be permitted to re-enroll and resume training provided at the discretion of the school.

DRUG ABUSE POLICY

The school strictly enforces a zero tolerance drug and alcohol policy on campus, and fully supports *Drug-Free Schools and Communities Act* of the United States Congress. In cooperation with other agencies and organizations, the school provides educational materials on the dangers of substance use and abuse. Advising and counseling is provided when deemed necessary as well as to those who request assistance. The School makes the following information available to its students, staff and instructors. Additionally, any student or staff member can also contact the following agency for more information, counseling, or assistance: Betty Ford Clinic 39000 Bob Hope Drive, Rancho Mirage, CA 93270 1-800-854-9151

G.E.D. PREPARATION

The school does not offer a General Education Diploma preparation program. Special preparation for the G.E.D. certificate program is available through College of the Desert, Palm Desert at 760-346-8041, or the Riverside County C.T.E. program at 760-342-1568

ATTENDANCE POLICY

Attendance must be maintained at an average of 67 percent of the scheduled attendance if the student is expected to complete the course of study within the 1.5 times of the period of time stated in the enrollment agreement. An absence may be excused by calling-in the same day prior to the beginning of class. Students are required to make-up for the lessons, and exams missed due to absenteeism. If the student is absent during two (2) consecutive weeks, the school will withdraw him/her. The instructor in charge will review excessive tardiness or absences with the student to determine possible corrective action to the issue on hand.

Students are expected to attend 25 to 40 hours per week, 5 to 8 hours per day, Monday through Friday. Students are expected to be regular in attendance. Absence from classes can seriously affect the student's progress. Student's individual schedules will be discussed during initial interview. The following possible attendance schedules: Full time: Full time students are required to be enrolled to attend a minimum of 25 hours per week. Half time enrollment requires a minimum of 12 hours per week. Part-time enrollment is defined as more than 12 but less than 25 hours per week. Less than 12 hours per week is less than half time.

STUDENT CLOCK HOUR POLICY

Per Sec. 73760 of the CCR it is the policy of this school that all students shall clock into a computerized monitoring program using the finger scanner. Upon enrollment, each student's finger print will be programmed into the computer. This will be used to clock in and out of school. Students will use the manual time clock to punch in and out for their 15 minute breaks. You will be given up to seven (7) minutes to clock in and receive credit for the quarter (1/4) hour. This seven minute period applies to starting of the class day. A thirty (30) minute lunch break shall be taken when a student attends a 6 hour class day or more. If you are attending less than a 6 hour class day and desire to take a lunch break (30 minutes), then the half hour must be deducted from your daily total and you must clock in/out on your time card for the lunch break. Once theory classes have been started no one will be allowed to enter the theory classroom. **Instructors may not sign a student in or out for any reason or purpose, other than to give the required credit on their time cards.**

At the completion of the week, a new time card is prepared from the current weekly time card. The daily hours and operations earned are added to the totals in the prior column and final totals transferred to the cumulative column. These cumulative figures are then entered in the prior column on the next day's weekly time card. **The time card must be signed by the student and the instructor daily.** Time cards reflect the students' daily record of hours and operations. It is important that all of your hours and operations are recorded properly and accurately. The attendance personnel must be able to read your time card so that the hours and operations are transferred correctly to the roster. If an error is made on the time card, correcting the mistake will require that a line be drawn through the error, the student & staff member must date and initial the correction(s). The time cards are the property of the school and must remain in the school at all times. After clocking in you are required to maintain applied effort, personnel grooming, leaving the building, reading material not related to your training or activity not related to your training is not tolerated. If this occurs you will be ask to stop such activity or to punch out for the remainder of the day. Continued activities of this nature could result in your termination.

TIME CARD CREDIT

The following is a guideline for the instructor to issue credits. Each Theory must be initialed in the proper category. If that category is complete, the instructor may issue credit in a comparative category. The portion of the time card reflecting hours are in the Theory hours earned and any classes the instructor has demonstrated. The portion of the time card concerning operations are to be applied efforts of the students as they manually perform practical subject. Some practical operations may take longer to perform according to the student. Note the following time frame the Bureau of Barbering & Cosmetology gives for each operation:

**Shampoo/set = 1 1/2 hours, Scalp Treatment = 1/2 to 1 hour, Permanent Wave = 2 to 2 1/2 hours,
Facial = 1 1/2 to 2 hours, Manicure = 1/2 hour, and Hair cut = 1/2 to 1 hour.**

Using the above, the Bureau would understandably not consider a student capable of performing more than three permanent waves per day.

BREAK AND LUNCH SCHEDULES

Each student that is enrolled for eight (8) hours per day will be given two fifteen (15) minute breaks per day. All other students will be given one fifteen (15) minute break per day. All students shall take their breaks at designated times. It is mandatory that a ½ hour lunch break be taken after each 6 hours of attendance. All students required to take a ½ lunch break will be assigned to a specific lunch schedule.

ABSENCE

Satisfactory attendance must be maintained. All course work missed due to absences must be made up upon return to school. One un-excused absence or 5 total absences per month are considered excessive. Students are encouraged to make up any absence hours as soon as possible.

TARDINESS

Tardiness produces a disruption to a good learning environment and is discouraged. Students are to be in class at scheduled time. Excessive tardiness is grounds for probation and/or suspension. Any time after 8:37 is considered tardy.

MAKE UP TIME POLICY

All attendance make-up time will be done during normal school hours but in the student's non-scheduled class time. All lesson assignments which were missed during any period of absence must be made up. A record of make-up work is maintained for each student who is required to perform this type of work. A student is allowed seven minutes leeway for clocking in. However, this practice is discouraged because it is disruptive to the student's learning process. Excessive tardiness will result in dismissal or suspension until such time that the student can continue without tardiness. In case of tardiness, a student is required to make up any and all prescribed work.

LEAVE OF ABSENCE POLICY

Students who may be absent for an extended period of time may request a Leave of Absence (LOA) in person by completing a LOA form. The request must include the LOA start date, end date, reason for request, and signed by student and authorized staff member. Some examples of reasons for a LOA would be for extended illness of the student, care of a family member, pregnancy leave, etc. The LOA must be requested in advance in writing unless unforeseen circumstances prevent a student from doing so, such as an automobile accident. In such case, the LOA start date will be determined to be the first day the student was unable to attend due to accident and the school will document the reason for the LOA and obtain the request from the student at a later date. Once the completed form is completed and returned to an authorized staff member, he/she will approve or dis-approve the request. There must be reasonable expectation the student will return at the end of the LOA. The school will not assess any additional institutional charges as a result of the LOA. A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time. The LOA, together with any additional leave of absences must not exceed a total of 180 days in any 12 month period. If the student fails to return from a LOA, the withdrawal date determination date would be the date the student did not turn and the refund would be calculated based off the students last date of attendance. The institution must extend the student's contract period by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties.

WITHDRAWAL / DROP POLICY

You have the right to withdraw from a course of instruction at any time. If you withdraw from the course of instruction after the period allowed for cancellation the school will remit a pro-rata refund if the student has completed 60 percent or less of the period of attendance (based on scheduled hours). The refund will be less the registration fee and equipment received by the student. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange to pay it. Official withdrawal date is on the student's notification or school's determination.

If a student does not attend school for 14 consecutive days, without having contacted the school requesting a LOA (Leave of Absence), they will be automatically dropped from the course in which they are enrolled. Students who are on a LOA and who do not return on or before their LOA end date will also be dropped from their course. Students that wish to withdraw, and who are still in attendance should notify the office, in writing, of their request to withdraw.

SUSPENSION AND TERMINATION POLICY

Suspension or termination from the Institute may happen if the student participates in any of the following:

- Possession of illegal drugs or alcohol on school premises or grounds or parking lot.
- Theft from students or of school property.
- Willful destruction of school property.
- Insubordination.
- Loud or boisterous behavior.
- Direct violation of instructor's directions, i.e., refusing a client, reassigning a client to another student or tampering with the appointment book.
- Clocking in or out for another student.

RE-ENTRY POLICY

Students who have had their training suspended for cause may be re-admitted to classes upon a written request and with affirmation, that the action(s), which caused the suspension, will not be repeated. Re-admittance will be determined on a case-to-case basis and is the discretion of the school. Students allowed to re-enter, will re-enter into the program without the loss of credit of Bureau of Barbering & Cosmetology hours and provided it is within 5 years from the date of their withdrawal which is an institutional policy. All records of the student are stored for six (6) years only and it is the responsibility of the student to maintain all documents received from the institution.

The institution reserves the right to evaluate the previous enrollment and to verify that the student was in good standing with the school before the student is accepted for re-enrollment.

ADVISING AND STUDENT PERSONNEL SERVICES

A private office is available for student advising, placement, and other personnel services for the benefit of students. Students are free at any time to discuss personal problems that might affect their schooling or their future employment. Students may request additional counseling sessions at any time. At predetermined intervals, evaluations are conducted to assess the rate and quality of the student and any remedial assignments are made when needed. Particular attention is always given in preparing for the Bureau of Barbering & Cosmetology Examination. The school does not maintain professional counselors at the school, nor do we recommend students to seek professional help off campus, however, students who may inquire about professional counseling services will be provided a list of public organizations, religious organizations and governmental agencies where the student may receive additional assistance. The School staff is not licensed or trained as professional counselors and cannot provide professional on-going or long-term counseling for those students needing that type of help. However, the staff is always willing to listen and provide available information. Any student has the right to gain access to their files with a 24-hour notice to the Office Manager. **Coachella Valley Beauty College, Inc.** observes the "Right to Privacy Act" and will not release any information about any student without the student's written consent.

PERSONAL PROPERTY POLICY

Students are solely responsible for their own equipment and supplies as well as their personal property. Lockers and/or lockable roll-about are provided to each student upon enrollment. It is suggested that if a student is not going to be attending school for an extended amount of time (i.e. LOA), that the student remove their equipment and supplies off the school premises. Any equipment that is abandoned by the student for longer than 30 days after their last day of enrollment will be donated. The school is not responsible for any equipment, textbook, etc. abandoned by a student.

HOUSING

The school does not maintain housing for students, nor does it make specific recommendations regarding housing.

THE SCHOOL RESERVES THE RIGHT TO CHANGE THE TUITION, FEES OR MAKE CHANGES, WHEN DEEMED NECESSARY, WITHOUT PRIOR NOTICE. SUCH CHANGES WILL NOT AFFECT ATTENDING STUDENTS

Institutional charges for the tuition charges are posted to the student tuition account by payment period. However, registration fee, and equipment fees for the entire course, will be assessed and posted in the students tuition account within the first payment period.

METHOD OF PAYMENT

Most of our students apply for financial aid. During our interview of prospective students, we compute a needs analysis based on the amount of income or resources compared to the cost of education, room and board, and traveling expenses. If the student qualified, we help the individual prepare the appropriate Financial Aid application.

For those students who wish to pay their own way through school, the financial officer will develop a personalized payment program for each individual. All tuition and fees are payable in advance unless other arrangements have been made prior to commencement of classes. For those students who are not receiving financial aid, payment schedules (weekly, monthly, and quarterly) are available.

For students on monthly payment plans, the payments are due on the first day of the month and will be considered late after the 10th. Payments are accepted by cash, check or credit card. There will be a service charge of \$25.00 for any returned checks. Students who do not make payment arrangements or fail to make their scheduled payments, may be subject to any one or all of the following: suspension, termination, and/or student's account turned over to collections.

The student is responsible for all contracted tuition, registration, equipment, kit, and overtime charges.

Once used, kits are not returnable or refundable due to sanitary considerations. Above kits prices include applicable sales tax.

All institutional charges must be paid in full before credits may be released. Unpaid credits will be retained by the institution until payment in full is complete.

Our school does not award any institutional scholarships incentives.

REFUND POLICY

STUDENT'S RIGHT TO CANCEL: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session (**first day of classes**), or the seventh day after enrollment (**seven days from the date when enrollment agreement was signed**), whichever is later.

The notice of cancellation shall be in writing and submitted directly to the Financial Aid Office, a withdrawal may be initiated by the student's written notice or by the institution due to student's academics or conduct, including, but not necessarily limited to, a student's lack of attendance.

An applicant that is not accepted by the school is entitled to a refund of all monies paid.

Refund Policy: Applies to all terminations for any reason, by either party, including a student's decision, course or program cancellation, or school closure. After the cancellation period, the institution provides a pro rata refund of **ALL** funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has elapsed (**including absences**), there will be no refund to the student. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds. This policy applies to all students, ones receiving Title IV financial aid or not. This policy is based on scheduled hours.

The registration fee is a **non-refundable item**. Equipment, books, supplies, tools, uniforms, kits and any other items **issued and received by the student** would not be returnable. **Once received** by the student it will belong to the student and will represent a liability to the student.

If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and equipment received. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. See Refunds section below. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance. Official withdrawal date is on the student's notification or school's determination.

Withdrawal / Drop Policy: You have the right to withdraw from a course of instruction at any time. If you withdraw from the course of instruction after the period allowed for cancellation the school will remit a pro-rata refund if the student has completed 60 percent or less of the period of attendance (based on scheduled hours). The refund will be less the registration fee and equipment received by the student. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange to pay it. Official withdrawal date is on the student's notification or school's determination.

If a student does not attend school for 14 consecutive days, without having contacted the school requesting a LOA (Leave of Absence), they will be automatically dropped from the course in which they are enrolled. Students who are on a LOA and who do not return on or before their LOA end date will also be dropped from their course. Students that wish to withdraw, and who are still in attendance should notify the office, in writing, of their request to withdraw.

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the Financial Aid Office of your intent to withdraw. Only the Financial Aid Office would be authorized to accept a notification of your intent to withdraw.
The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing.
The date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of the determination of withdrawal will be the scheduled date of return from LOA.

Return of Title IV: Special note to students receiving Unsubsidized/Subsidized/PLUS/Perkins loans, ACG/National SMART/Pell/SEOG grants or other aid, if you withdraw from school prior to the completion of the equivalent to **60 percent** of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability to loan funds will continue to be paid in accordance to the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment.

Refunds: If any refunds are due based on the Return of Title IV calculation **or** based on the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22. The order of payment of refunds is, 1) Unsubsidized Loans from FFELP or Direct Loan, 2) Subsidized Loans from FFELP or Direct Loan, 3) Perkins Loans, 4) PLUS (Graduate Students) FFELP or Direct Loan, 5) PLUS (Parent) FFELP or Direct Loan, 6) Pell Grant, 7) Academic Competitiveness Grant (ACG), 8) National SMART Grant, 9) Federal SEOG, 10) Other. This order would apply in accordance to the aid programs available at the institution.

Default of Federal or State Loan: If a student defaults on a federal or state loan, both the following may occur: 1) The federal or state government or loan guarantee agency may take action against the student, including garnishing an income tax refund; and 2) The student may not be eligible for any other government financial assistance at another institution until the loan is repaid.

1. Provide a full refund of all money paid; or
2. Provide for completion of the course at schools in the neighborhood.

If a course is canceled and ceases to offer instruction after the student has enrolled and instruction has begun, the school shall at its option:

FINANCIAL AID MECHANISM

Financial aid is a mechanism that reduces out-of-pocket costs that students and/or parents must pay to obtain a specific postsecondary education. Presented differently, financial aid is money made available to help students meet the cost of school attendance. Financial aid includes grants and loans. Grants do not have to be repaid. Loans usually have low interest rates and must be repaid in accordance to the individual loan program terms. Most of the loans can be arranged to require payment after a grace period of several months upon graduation, or upon the student's termination from the program or if a student's attendance falls below half time. Financial aid is awarded to students who have "need". Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school.

DETERMINING

The information you report on the FAFSA form when you apply for aid, is used in a formula established by U.S. Congress that calculated your Expected Family Contribution. Coachella Valley Beauty College, Inc. utilizes the Free Application for Federal Student Aid (FAFSA) for students applying for aid. This form will be processed by a contractor of the U.S. Department of Education at no cost to the student. The results will be provided in the form of an Electronic Student Aid Report (ISIR) with the calculation of the Expected Family Contribution (EFC). The EFC is used to determine how much and what kind of financial aid a student is eligible for.

The subsidized Federal Stafford Loan program provides low interest loans through the U.S. Department of Education's Direct Loan Program. The maximum annual loan amount for the first academic year is \$3,500.00, less origination and other fees (if applicable). The federal government pays the interest for you during in-school, in-grace, and deferment periods. Interest does not accrue until the student interest repayment six months after leaving school, or dropping below a half-time enrollment status. The minimum repayment is \$50.00 per month; however, subsidized federal Stafford loans provide many flexible repayment plans as explained in the loan counseling materials. Payments are based on the repayment plan selected by the student. Please refer to your Loan Entrance counseling package for additional information.

DEADLINE: Applications need to be submitted at least 30 days before the end of the loan period for which the loan has been requested.

DISBURSEMENT: Checks are issue to the school and credited to the student's tuition account. It is the student's responsibility to submit all required forms and documentation to the financial aid office before disbursement. For additional information, refer to: www.studentloans.gov.

Unsubsidized Federal Stafford Loan:

If you do not qualify for a full or partial Subsidized Stafford Loan based on your financial need, you may qualify for an Unsubsidized Stafford Loan. The federal government does not pay the interest on unsubsidized loans while you are in school, or have loans in a deferred status. Student loan borrowers are eligible for all interest that accrues on the loan while enrolled, during your grace period, and any deferment periods. Loan repayment begins six months after your last day of attendance, or when your enrollment status falls below half time. Independent students can borrow up to \$9,500.00 (combined Subsidized and Unsubsidized) for their first academic year. Dependent student can borrow up to \$5,500.00 (combined Subsidized and Unsubsidized) for their first academic year

DEADLINE: Applications need to be submitted at least 30 days before the end of the loan period for which the loan has been requested.

DISBURSEMENT: Checks are issue to the school and credited to the student's tuition account. It is the student's responsibility to submit all required forms and documentation to the financial aid office before disbursement. For additional information, refer to: www.studentloans.gov.

Parent PLUS Federal Loan:

The Federal PLUS Loan is available to parents who wish to apply for additional assistance for the dependent child's education. The amount of the PLUS Loan cannot exceed the student's cost of attendance less other student aid awarded. The interest rate varies and is adjusted each year, not to exceed 9% and begins to accumulate on the date of the first disbursement. The first payment will be due within 60 days after the final loan disbursement. Payments will include both principal and the interest that accumulates.

DEADLINE: Applications need to be submitted at least 30 days before the end of the loan period for which the loan has been requested.

DISBURSEMENT: Checks are issue to the school and credited to the student's tuition account. It is the student's responsibility to submit all required forms and documentation to the financial aid office before disbursement. For additional information, refer to: www.studentloans.gov.

AWARD NOTIFICATIONS:

Once a financial aid administrator at the school reviews your Student Aid Report, you will be notified regarding your eligibility and the amount of aid you may receive via an Award Letter. A copy of the signed Award Letter will be provided to the student for their records, and a copy placed in their folder.

Our school uses the award letter in our active loan confirmation process. Active confirmation requires that each student sign the award letter in order to confirm the loan amount offered. The school will not disburse the loan until the borrower either affirmatively requests or accepts the proposed loan type and amount or requests changes to the proposed loan package. All students who have loans are required to have loan exit counseling before graduation or termination.

If a student obtains a loan, the student will have to repay the full amount of the loan plus interest, less the amount of any refund as well as, if you receive a student loan(s) to cover the cost of the program, any refund you receive will be returned to your lender to reduce your loan debt. If the amount of your refund exceeds the unpaid balance of the student loan(s) you received the excess will first be applied to any other aid programs from which you receiving funding, any remaining balance will then be returned to you.

RIGHT TO WITHHOLD TRANSCRIPTS AND GRADES FOR NON PAYMENT OF TUITION

An institution may withhold a student's transcript or grades if the student is in default on a student tuition contract. If the course of study consists of only one course, the institution may withhold the grades or the transcript until the tuition or loan obligation is paid in full. CEC. Section 94828 per BPPVE Reform Act January 1, 1998.

RECOVERIES

Recoveries resulting on funds paid to students for personal expenses which exceed the amount needed (based on the months attended times the monthly budget allowance) will be due from the student to the Title IV Programs. Students will be required to pay for recoveries to the program in the following order:

- First to FFELP (student loan programs), Second to Pell Grants, and Third to SEOG Grants.

REFUNDS

In any case where a refund is due to the Title IV Programs, the application of the refund will be made as follows:

- First to FFELP (student loan programs), Second to Pell grant, and Third to SEOG grants.

This order will be applied providing the student received funds from that program and in amounts not to exceed the amounts originally paid from each program. Refund due to the lender or the aid programs or student's account will be made within 30 days. When a student requests a transfer to another school, the institution will prepare all of the academic and financial documentation requested by the student.

AWARD CONCEPT, SELECTION OF RECIPIENTS AND PACKAGING CRITERIA

This institution does not receive enough Campus-Base funds to satisfy all the student financial needs. Therefore, the school emphasizes the SELF-HELP CONCEPT of student financial assistance.

The SELF-HELP CONCEPT is on a first-come, first-served basis when awarding eligible applicants. If the student does not wish to assume the combined debt of two or more loans, they may decline any loans offered by the school. **ALL LOANS MUST BE REPAID.**

The **SELF-HELP CONCEPT** lists types of financial assistance in the following order:

1. Family contributions
2. Other resources
3. Federal PELL Grant
4. Self Help (Stafford and/or, PLUS Loans)

(This institution does not participate in the SEOG program). The school awards from the Federal Supplemental Educational Opportunity Grants in accordance with the following policy: The institutional participation in the Federal Educational Opportunity Grant is limited to the amount of funds given to the institution for an entire award year. Due to the limited amount of funds available to the institution, it is literally impossible to award FSEOG to all students applying for aid.

Therefore, the institutional policy to select FSEOG recipients is as follows: In order to ensure a fair distribution of funds through the entire award year, the institution will make SEOG awards using data from the year preceding the current year, by using student enrollment, EFC and Pell Grant data to determine how to distribute the SEOG funds available. Based on last year's data, the institution expects an enrollment of 70 new students meeting the "exceptional need" criteria to be enrolled during the 7/1/05 to 6/30/06 period.

Therefore, the awards to those students will be up to \$300 through the entire period. As of July 1, 2005, the first selection of SEOG recipients will be made from students with "exceptional need". Students with "exceptional need students" are defined by this institution as students that have an expected family contribution (EFC) that will otherwise be eligible for the FPELL Grant Program during the same award year. If enrollment figures change, and/or additional funds become available to the institution, a second selection will be made from those students ineligible for the FPELL Grant Program with the lowest expected family contribution that enrolled during the last quarter of the award year (March to June).

Both selections will be made from students, whose file has been completed, with no issues pending regarding the students' eligibility for Federal Aid. Incomplete files will not be considered in the selection criteria due to possible lack of documentation. Awards will be made as long as funds are available throughout the award year.

(This institution does not participate in the SEOG program)

This institution has a continuing enrollment process in which students may start the first Monday of each month, or Tuesday if Monday is a holiday.
