METHOD OF PAYMENT

Most of our students apply for financial aid. During our interview of prospective students, we compute a needs analysis based on the amount of income or resources compared to the cost of education, room and board, and traveling expenses. If the student qualified, we help the individual prepare the appropriate Financial Aid application. *Financial aid is available to those who qualify.*

For those students who wish to pay their own way through school, the financial officer will develop a personalized payment program for each individual. All tuition and fees are payable in advance unless other arrangements have been made prior to commencement of classes. For those students who are not receiving financial aid or who are making payments in addition to awarded financial aid, payment schedules (weekly, monthly, and quarterly) are available.

For students on monthly payment plans, the payments are due on the first day of the month and will be considered late after the 10th. Payments are accepted by cash, check or credit card. There will be a service charge of \$25.00 for any returned checks. Students who do not make payment arrangements or fail to make their scheduled payments, may be subject to any one or all of the following: suspension, termination, and/or student's account turned over to collections.

The student is responsible for all contracted tuition, registration, equipment, kit, and overtime charges. Once used, kits are not returnable or refundable due to sanitary considerations.
